

Privacy Collection Notice and Consent

Say66 Pty Ltd (ABN 97 640 147 299) (referred to as “we”, “us” or “our”) is collecting your personal information (and/or that of your child) to enable you to create a user account to use the Say Bananas! App and the services which are made available via the App, for example, to access speech therapy games and exercises. Please note that recordings are made of users’ speech when playing games and completing exercises and activities.

Failure to provide the requested personal information may prevent you from being able to access and/or use the Say Bananas! App and the services and tools made available via the App.

We may disclose your personal information (and/or that of your child’s) to third parties, such as the user’s account holder (which may be a child’s parent or guardian) or the user’s nominated speech pathologist. Personal information is not disclosed ordinarily to overseas recipients or used for direct marketing purposes.

If you consent, from time to time, we may contact you to participate in research including to test the effects of use of the Say Bananas! App as well as for product development and improvement purposes, including to provide feedback about new speech therapy games.

Further information about our privacy practices and procedures is contained in our Privacy Policy. **##[A link to the Privacy Policy should be inserted.]##** If you would like to seek access to or correct your personal information, or make a privacy complaint, please refer to our Privacy Policy for further details.

Privacy Consent

- I have read and understood the Privacy Collection Notice. I acknowledge that users’ speech will be recorded while playing games and completing exercises and activities. I consent to the collection, use and disclosure of my/my child’s personal information in the manner set out in the Privacy Collection Notice.
- I consent to being contacted by Say66 Pty Ltd for product development and research purposes including to provide feedback about the Say Bananas! App and new speech therapy games.
